It is your responsibility to ensure that you carefully read the terms that are applicable to you based on your location.

1. ACCEPTANCE OF TERMS, PRIVACY POLICY, AND CHANGES TO THE TERMS OR THE ZBD SERVICES

- a. Acceptance of Terms. By using the Site or the App, registering for a ZBD account, as further detailed below (“**Account**,” or “**ZBD Account**”) or using any of the other ZBD Services, you (“**you**,” “**your**,” “**yourself**,” or “**User**”) are agreeing to accept and comply with these Terms. If you do not agree to be bound by these Terms, you are not authorized to use the ZBD Services. Please see the attached Exhibit 1: E-Sign Disclosure and Consent regarding how ZBD delivers communications with you electronically.
- b. Privacy Policy. Please review our [Privacy Policy](#), which also governs your use of the ZBD Services, for information on how we collect, use and share your information.
- c. Changes to the Terms or the ZBD Services. We may update the Terms from time to time at our sole discretion. If we do, we will let you know by posting the updated Terms on the Site, to the App, and/or may also send other communications. When we make material changes, you may be asked to accept the changes to the Terms when you next log in the ZBD application. It is your responsibility to review and understand the Terms whenever we update them or you use the ZBD Services. If you continue to use the ZBD Services after we have posted updated Terms, it means that you accept and agree to the changes. If you do not agree to be bound by the changes, you may terminate your account. Without acceptance you will not be able to use the ZBD Services anymore. Because the ZBD Services are evolving over time, we may change or discontinue all or any part of the ZBD Services, at any time, and without notice, at our sole discretion.

2. WHO MAY USE THE ZBD SERVICES?

- a. Eligibility. You may use the ZBD Services only if you are at least 18 years old, and not otherwise barred from using the ZBD Services under applicable law.
- b. Identity Verification. ZBD may require that you verify your (or related parties including your representatives (“**Related Parties**”)) identity before accessing, using or continuing to use certain ZBD Services in accordance with ZBD’s regulatory requirements (see Section 18). Promptly following ZBD’s request, you will provide ZBD any and all content and information, including your and Related Parties’ full name and any documents or photographs necessary for ZBD to verify your and Related Parties’ identity (“**Identity Verification Information**”). You hereby represent, warrant and covenant that the Identity Verification Information is accurate, current and complete. You (and, if acting in a representative capacity, individually and for the entity you represent) authorize ZBD and its agents to make such investigative inquiries and request such third-party reports as it deems necessary to verify your identity and that of your principals and other agents. You agree to allow us, if we elect in our sole discretion, to provide the Identity Verification Information to third parties in connection with identity verification services as described in this Section.
 - i. ZBD reserves the right to suspend or terminate your Account until your identity has been verified pursuant to this Section. The identity verification process and any additional verification may include manual review and take time which may result in delayed ZBD Services which could result in adverse consequences for the User. User is aware and accepts these risks and acknowledges and agrees that

ZBD could not be liable for any delayed ZBD Services resulting in adverse consequences for User.

- ii. You agree to make available, at any time, any information and documentation related to Identity Verification and to keep ZBD updated if any of the provided Identity Verification Information changes. You represent with this Agreement that any information provided is truthful and accurate. Any failure to provide such information, on time, may result in a suspension or termination of the ZBD Services, at ZBD's sole discretion.

c. ZBD EU Users only:

- i. ZBD EU as a regulated CASP is required to collect certain information in addition to the Identity Verification Information referenced above, for example to fulfil tax reporting obligations under the DAC8 Crypto Tax Regulation (applicable from 1 January 2026) (see Section 19).
 - ii. Until ZBD EU has received the required tax information from you and completed relevant checks, ZBD EU will not provide transfer services to you (See Section 3. ABOUT THE ZBD SERVICES, iii below). All rewards you earn from 1 January 2026 will be deemed "pending" and appear in the ZBD App as "Pending Rewards". Pending rewards have not been transferred to you and do not belong to you. You do not have a claim over pending rewards. Pending rewards will be transferred from ZBD EU to you as "earned" rewards after you have provided the required tax information and ZBD EU has completed relevant checks. Once these are determined as complete, these will be displayed in the ZBD App as "Earned Rewards" which will be reflected in your balance and transactions history.
 - iii. You may receive Pending Rewards or Earned Rewards from activity in the ZBD App prior to completing the required Identity Verification process, however, you only become entitled to such rewards (and you can therefore only withdraw or use your rewards balance) when the rewards are Earned (not Pending) and ZBD has successfully completed all required Identity Verification checks. ZBD reserves the right to withdraw Earned Rewards if you have not provided all required Identity Verification Information within a reasonable period of time or if ZBD is unable to successfully verify your identity.
- d. ZBD reserves the right to suspend and/or terminate your Account, i) if your Account has not been verified, ii) if User or Related Party has not provided all required Identity Verification Information, or iii) if this is required based on any information received. In addition, ZBD reserves the right to charge fees for inactivity in line with Section 3.d Fees against earned rewards.
- e. Compliance. Depending on your country of residence and applicable law, you may not be able to use all the functions of the ZBD Services. It is your responsibility to follow the rules and laws in your country of residence and/or country or jurisdiction from which you access and the ZBD Services, and you certify that you will comply with all applicable laws (e.g., local, state, federal and other laws) when using the ZBD Services. Without limiting the foregoing, by using the ZBD Services, you represent and warrant that: (a) you are not located in a country that is subject to a U.S. Government, Dutch Government or EU embargo; and (b) you are not listed on any list of prohibited, sanctioned, or

restricted parties promulgated by the United States, European Union and/or its member states, Australia, or Brazil. If you access or use the ZBD Services outside the United States, the Netherlands or a jurisdiction in the EEA for which ZBD does not have an active passport to provide crypto-asset services on a cross-border basis, you are solely responsible for ensuring that your access and use of the ZBD Services in such country, territory, or jurisdiction does not violate any applicable laws. You must not use any software or networking techniques, including use of a Virtual Private Network (VPN) or proxies to modify your internet protocol address or otherwise circumvent or attempt to circumvent this prohibition. We reserve the right, but have no obligation, to monitor the locations from which the ZBD Services are accessed. Furthermore, we reserve the right, at any time, in our sole discretion, to terminate your account or block access to the ZBD Services, in whole or in part, from any geographic location, IP addresses, and unique device identifiers, or to any User who we believe is in breach of these Terms. As long as you agree to and comply with these Terms, ZBD grants you the personal, non-exclusive, non-transferable, non-sublicensable and limited right to enter and use the ZBD Services. Please see the attached Exhibit 2: United States License Disclosures regarding certain state-mandated disclosures regarding the ZBD Services.

3. ABOUT THE ZBD SERVICES.

- a. ZBD Services for Users. The ZBD Services also enables registered Users of the ZBD Services to:
 - i. directly or indirectly create a ZBD Account that can store and transfer Bitcoin (“BTC”) leveraging the Lightning Network.
 1. **ZBD EU Users only:** Once approved, ZBD EU provides this service, the service qualifies as the providing of custody and administration services in accordance with Articles 3(17) and 75 MiCAR. You may access and transfer the BTC ZBD holds on your behalf by successfully logging in the ZBD app and providing further instructions as required by ZBD.
 2. ZBD EU Safekeeping of BTC held on your behalf:
 - a. The BTC balance ZBD EU holds on your behalf is solely held by the Crypto Foundation. The Crypto Foundation operates on the basis of a cooperation agreement with ZBD EU and functions exclusively as a bankruptcy remote legal vehicle to achieve asset segregation. This means that User’s BTC are separated from ZBD EU’s assets and that the User’s BTC can be safeguarded and at all times by the Crypto Foundation. ZBD EU ensures that the Crypto Foundation holds sufficient assets to cover the liabilities of the Crypto Foundation towards Users at least 1:1. The Crypto Foundation is responsible for keeping and managing all BTC to which the Users (you) have a direct claim on the Crypto Foundation, for the purpose of safekeeping. The use of the Crypto Foundation ensures Users' BTC are segregated from the capital of ZBD EU and fall outside the estate of ZBD EU in the event of bankruptcy. In case of insolvency or bankruptcy of

ZBD EU, this set up ensures that all BTC that belongs to Users can be returned to them.

- b. Users do not have a claim over crypto-assets sent, received or stored over the Lightning Network by ZBD EU, rather Users have a direct claim over a corresponding amount of crypto-assets equal to their Earned Rewards (BTC) balance in their ZBD Account. After receiving crypto-assets on your ZBD Account (either from a reward distribution or Lightning Network transfer), the Crypto Foundation will hold the equivalent crypto-assets for the purpose of safekeeping. ZBD EU ensures that the Crypto Foundation maintains 100% coverage of outstanding User's liability at all times and that the Crypto Foundation is fully funded and overcapitalized at all times to cover User claims. Any claim right of ZBD EU to the extent that the Crypto Foundation maintains more than 100% coverage of outstanding User's liability is subordinated to any claims of Users on the Crypto Foundation.
- c. You have a direct claim on the Crypto Foundation for providing the crypto-assets that are held by the Crypto Foundation for you for the purpose of safekeeping. All User transfers are assessed on an ongoing basis by ZBD EU and the internal ledger updates ZBD Account balances in real time as transfers, tops ups and cash outs are executed by ZBD EU on your behalf. Your claim on the Crypto Foundation at any point in time is represented by your Earned Rewards position in the internal ledger as shown to you in your ZBD Account.
- d. You irrevocably authorize and grant permission to the Crypto Foundation to debit your Account to pay any amount you owe to ZBD EU under the Terms (including any fees due). This will be executed by the Crypto Foundation based on instructions received from ZBD EU who will inform the Crypto Foundation of your instructions to initiate a transfer and / or debit, and / or your actions which initiate such.
- e. ZBD EU is under an obligation towards the Crypto Foundation to compensate the Crypto Foundation for any losses relating directly to the safekeeping and holding of the BTC, including risks relating to the use of custody providers, risks relating to holding BTC with ZBD EU or risks relating to other blockchain activities.
- f. ZBD EU remains liable for any losses related to ZBD's own smart contracts, such as hacks or exploits. Each transfer by the Crypto Foundation of BTC to you accordingly reduces ZBD EU's obligations to you.

- [illegible]

2. Any transfers from your ZBD account, must be exclusively for your account, and exclusively from or to a third party hosted BTC wallets in your name. ZBD reserves the right to reject, return or cancel transactions from or to third parties, or from business accounts.
 - iii. The ZBD Services only deal in BTC over the Lightning Network; we do not process, store, or otherwise enable the use of any other cryptocurrency or token. Each BTC is divisible into 100 million units called Satoshis, or “sats”. Therefore, 1 sat is equal to 0.00000001 BTC. You may see your Account balance denominated in sats along with an equivalent amount in USD, EUR, or other local fiat currency depending on where you live. You may also see your transactions conducted through the ZBD Services denominated in sats.
 - iv. USER ACKNOWLEDGES THAT STORING BTC IN THEIR ZBD ACCOUNT INVOLVES SIGNIFICANT RISKS. ALTHOUGH ZBD TAKES REASONABLE MEASURES TO SECURE THE ZBD USER ACCOUNTS, COMPLETE SECURITY CANNOT BE GUARANTEED. USER ACKNOWLEDGES THAT ANY USE OF THE ZBD SERVICES IS AT THE SOLE RISK OF THE USER.
 1. **ZBD EU Users only:** YOU CAN READ MORE ABOUT THE RISKS ASSOCIATED WITH CRYPTO-ASSETS, SERVICES RELATED TO CRYPTO-ASSETS AND THE BLOCKCHAIN [HERE](#).
 - v. You will be responsible for keeping all information associated with your Account secure. ZBD will not be responsible if someone else accesses your Account and authorizes a Lightning Network transaction. You should let ZBD know immediately if your phone has been stolen or otherwise compromised.
 - vi. The use of ZBD Services may include limits, including but not limited to daily, weekly and/or monthly limits for amount and number of allowed deposits or withdrawals of funds. ZBD reserves the right to amend such limits from time to time without prior notice.
 - vii. ZBD may suspend or block specific or all use of an Account, suspend or cancel any deposit or withdrawal, freeze the BTC balance related to an Account or suspend the cancellation of an Account for the duration of an investigation into unlawful activities, fraud or misuse of the Account or the ZBD Services. If this cannot be determined/investigated and/or the outcome of the investigation is not to ZBDs satisfaction, User may lose all rights to its BTC and ZBD may suspend or terminate this Agreement (also see Section 13).
- b. Third-Party Applications.
- i. The ZBD Services may allow you to access certain third-party games, applications, and other content (the “**Third-Party Applications**”). Your access to and use of the Third-Party Applications is subject to terms and conditions separate from these Terms and offered by a party other than ZBD (the

“**Third-Party Application Agreements**”). In the event of a conflict between any Third-Party Application Agreement(s) and these Terms with respect to your use of the ZBD Services, these Terms will govern.

- ii. If you access offers or games directly through the ZBD App from Adjoie (adjoie GmbH), then you agree to the Adjoie Terms and Conditions of Use found at https://adjoie.zone/legal/en/terms_of_use.html.
- c. **Account Security**. ZBD strongly recommends and may require switching on and using two factor authentication for added security for your Account as well as other accounts affiliated with your ZBD Account, such as your email account. For the avoidance of doubt, ZBD is not liable for any damages resulting from User not switching on and using two factor authentication. You are solely responsible for safeguarding access to their ZBD Account. This includes but is not limited to choosing sufficiently complex passwords, safely storing any passwords, preventing third party access to their third-party email accounts, not leaving the device from which User is logged in to the ZBD Services unattended, and taking all reasonable steps to avoid the loss, theft or misuse of the electronic devices that you utilize to access the ZBD Services. ZBD cannot be held liable for any misuse of user's login credentials by a third party. Without any information to the contrary, ZBD will assume that the person logged in to the user's Account using the correct login credentials is the registered user. You accept responsibility for and the full risk of any and all activities that occur under your Account and all transactions processed via the ZBD Account. In the event that you know or should reasonably know that your authentication data has been stolen, compromised or may be misused, you must contact ZBD immediately.
- d. **Fees**. You agree to pay any applicable fees as set forth below in connection with any transactions conducted through the ZBD Services. Such fees include the fees that fund the network of computers that run the decentralized blockchain network, meaning that you will need to pay a transaction fee for each transaction that occurs via the blockchain network and the lightning network. Your continued use of the ZBD Services following the posting of a notice of fee changes signifies that you accept and agree to the changes. You hereby grant ZBD the right to charge or deduct funds from your custodian wallet hosted on the ZBD Services for all Fees incurred under this Agreement.

- e. Taxes. You are solely responsible for all costs incurred by you in using the ZBD Services and determining, collecting, reporting and paying all applicable Taxes. Neither ZBD nor any ZBD affiliates are responsible for determining the Taxes that apply to such transactions. As used herein, “**Taxes**” means the taxes, duties, levies, tariffs, and other governmental charges that you may be required by law to collect and remit to governmental agencies, and other similar municipal, state, federal and national indirect or other withholding and personal or corporate income taxes. You are solely responsible for maintaining all relevant Tax records and complying with any reporting requirements you may have as related to the ZBD Services. We reserve the right to report any activity occurring using the ZBD Services to relevant tax authorities as required under applicable law.
- f. ZBD Developer Services. The ZBD Services allows the limited use of BTC by game or application developers to process in-game microtransaction payments for their users which may be through programmatic APIs (“**ZBD Developer Services**”). If you are a developer using the ZBD Developer Services, your access to and use of the ZBD Developer Services is subject to ZBD’s API License Agreement and terms and conditions separate from these Terms (collectively, the “**Developer Terms**”). In the event of a conflict between the Developer Terms and these Terms with respect to your use of the ZBD Developer Services, the Developer Terms will govern.

If a disagreement occurs between a User who is a game or application developer and a User who is such developer’s customer over a transaction (a “**Transaction Dispute**”), such game or application developer and that User who is such developer’s customer are solely responsible for resolving the Transaction Dispute, in accordance with the terms and conditions of the applicable Third-Party Application Agreement. Please note that you may be able to unlink your third-party accounts from your Account, and your Account data may be deleted if you choose to do so. Approval of your request to establish an Account will be at the sole discretion of ZBD. 13. **TERMINATION.**

- a. You and ZBD may terminate the User Terms and User's Account at any time for any reason or without reason, except if this is prohibited by applicable laws and regulations. Terminating the User Terms automatically results in Account closure and that the ZBD Services will no longer be provided, unless this is necessary in relation to any rights and obligations prior to the date of termination of the User Terms. If a User Account is terminated, you may be required to transfer any funds to an external wallet. Such transfers may be subject to identity verification provisions above.

If you delete your Account, your access to the ZBD Services will terminate, as set forth in this Section 13.
 - ii. Data retention. ZBD is required to retain certain data we hold about you and your account for 5 years after account termination or deletion in our legal archive based on legal obligations related to regulatory compliance such as AML legislation. In addition to Fees for Inactivity, ZBD may deduct an administrative fee resulting from such unclaimed assets. If the costs of holding the assets in an Account or the costs of a transfer of the assets to another party to hold the assets on behalf of you are higher than the estimated value of the assets, ZBD may close the Account, whereby you will lose all rights to the assets.

14. DISCLAIMERS

- a. THE ZBD SERVICES AND ANY CONTENT CONTAINED THEREIN ARE PROVIDED ON AN “AS IS” AND “AS AVAILABLE” BASIS AND WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, AND IN PARTICULAR, WITHOUT IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. WE FURTHER EXPRESSLY DISCLAIM ALL LIABILITY OR RESPONSIBILITY IN CONNECTION WITH THIRD PARTY SERVICES. NOTHING HEREIN NOR ANY USE OF THE ZBD SERVICES IN CONNECTION WITH THIRD PARTY SERVICES CONSTITUTES OUR ENDORSEMENT, RECOMMENDATION, OR ANY OTHER AFFILIATION OF OR WITH ANY THIRD-PARTY SERVICES.

- b. ZBD CANNOT GUARANTEE THE SECURITY OF ANY DATA THAT YOU DISCLOSE ONLINE. YOU ACCEPT THE INHERENT SECURITY RISKS OF PROVIDING INFORMATION AND DEALING ONLINE OVER THE INTERNET AND WILL NOT HOLD US RESPONSIBLE FOR ANY BREACH OF SECURITY.
- c. WE DO NOT MAKE ANY REPRESENTATIONS OR WARRANTIES AGAINST THE POSSIBILITY OF DELETION, MISDELIVERY, OR FAILURE TO STORE COMMUNICATIONS, PERSONALIZED SETTINGS OR OTHER DATA.
- d. ZBD WILL NOT BE RESPONSIBLE OR LIABLE TO YOU FOR ANY LOSS AND TAKES NO RESPONSIBILITY FOR, AND WILL NOT BE LIABLE TO YOU FOR ANY LOSSES, DAMAGES, OR CLAIMS ARISING FROM: (I) USER ERROR SUCH AS FORGOTTEN PASSWORDS, INCORRECTLY CONSTRUCTED TRANSACTIONS, OR TYPOGRAPHICAL ERRORS; (II) SERVER FAILURE OR DATA LOSS; (III) BLOCKCHAIN NETWORKS, NODES, DIGITAL WALLETS, OR CORRUPT FILES; (IV) UNAUTHORIZED ACCESS TO SERVICES; OR (V) ANY THIRD PARTY ACTIVITIES, INCLUDING WITHOUT LIMITATION THE USE OF VIRUSES, PHISHING, BRUTEFORCING OR OTHER MEANS OF ATTACK.
- e. To the extent the ZBD Services enable you to interact with the blockchain protocol (the “**Protocol**”), you understand that your use of the Protocol is entirely at your own risk. The Protocol is available on an “as is” basis without warranties of any kind, either express or implied, including, but not limited to, warranties of merchantability, fitness for a particular purpose, quiet enjoyment, and non-infringement. You assume all risks associated with using the Protocol, and digital assets and decentralized systems generally, including but not limited to, that digital assets are highly volatile; you may not have ready access to assets; and you may lose some or all of your tokens or other assets. You agree that you will have no recourse against ZBD for any losses due to your use of the Protocol. For example, these losses may arise from or relate to: (i) lost funds; (ii) server failure or

data loss; (iii) corrupted files; (iv) unauthorized access; (v) errors, mistakes, or inaccuracies; or (vi) third-party activities.

- f. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF CERTAIN WARRANTIES. ACCORDINGLY, SOME OF THE ABOVE DISCLAIMERS OF WARRANTIES MAY NOT APPLY TO YOU.

15. ASSUMPTION OF RISKS. You accept, acknowledge, and assume the following risks:

- a. Your use of the ZBD Services is subject to the following conditions and risks: (i) BTC transactions are irreversible, and, accordingly, losses due to fraudulent or accidental transactions may not be recoverable and ZBD or its affiliates or third party service providers are not liable for any fraudulent or accidental transactions; (ii) legislative and regulatory changes or actions at the state, federal, or international level may adversely affect the use, transfer, exchange, and value of BTC; (iii) the BTC Lightning network is maintained by a vast unidentified private computer network spread around the world, and transacting in BTC or on the BTC Lightning network is at your own risk and understanding of this network; (iv) the BTC Lightning network is a target for fraud, and fraud may result when you engage in transactions with external BTC addresses; (v) BTC is a target for hackers and theft, and hacking and irretrievable theft can occur even when the strongest security settings are used; (vi) some BTC transactions are deemed to be made when recorded on the BTC public ledger blockchain, which is may be different from the time at which you initiated such transaction; (vii) the value of BTC may be derived from the continued willingness of market participants to exchange fiat currency for BTC, which may result in the potential for permanent and total loss of value of a particular BTC should the market for that BTC disappear; (viii) any BTC transaction may be canceled, lost, or double spent, or otherwise lose all or most of its value due to forks, rollbacks, attacks, or failures to operate as intended; (x) there is no assurance that a person who accepts BTC as payment today will continue to do so in the future; and (ix) the volatility and unpredictability of the price of BTC relative to fiat currency may result in significant losses over a short period of time.
- b. By accessing and using the ZBD Services, you represent that you understand the inherent risks associated with using cryptographic and blockchain-based systems, and that you have a working knowledge of digital assets. Such systems may have vulnerabilities or other failures, or experience other abnormal behavior. ZBD is not responsible for any issues with the blockchains, including forks, technical node issues, or any other issues that may result in fund losses. You acknowledge and agree that you do not have a right to any newly created assets resulting from a fork or network modification. ZBD strives to stay up to date with developments within the BTC and lightning network ecosystem and will reasonably communicate any changes to the BTC and lightning network protocols that would modify the rights of your holdings within an appropriate amount of time via in-app notifications, push notifications, and email. The communications would inform you of the pending change, the impact on your holdings' rights, and any steps that you need to take as a result.
- c. You acknowledge that the cost and speed of transacting with cryptographic and blockchain-based systems are variable and may increase at any time. You further acknowledge the risk that your digital assets may lose some or all of their value while they are supplied to or from the ZBD Services. You further acknowledge that we are not responsible for any of these variables or risks and cannot be held liable for any resulting

losses that you experience while accessing the ZBD Services. Accordingly, you understand and agree to assume full responsibility for all of the risks of accessing and using and interacting with the ZBD Services.

16. NO TAX, LEGAL, FINANCIAL, OR INVESTMENT ADVICE. You should not interpret any Materials provided on the ZBD Services as tax, legal, financial, or investment advice. We have no special relationship with or fiduciary duty to you and your use of the ZBD Services does not create such a relationship. You agree and acknowledge that you are solely responsible for conducting legal, accounting and other due diligence reviews on the information posted on the ZBD Services.

17. DISCLOSURES TO LEGAL AUTHORITIES AND AUTHORISED FINANCIAL INSTITUTIONS.

- a. We may share your personal information with law enforcement, data protection authorities, government officials and other authorities when:
 - i. Required by law;
 - ii. Compelled by subpoena, court order, order of a supervisory authority or other legal procedure;
 - iii. We believe that disclosure is necessary to prevent damage or financial loss;
 - iv. Disclosure is necessary to report suspected unusual, suspicious or illegal activity; or
 - v. Disclosure is necessary to investigate violations of our Terms or Privacy Policy.

b. We may also share information concerning US citizens who are ZBD customers with other financial institutions, as authorized under Section 314(b) of the US Patriot Act, and with tax authorities, including the US Internal Revenue Service, pursuant to the Foreign Account Tax Compliance Act (“**FATCA**”), to the extent that this statute may be determined to apply to.

18. AML/CFT POLICY. To help the government fight the funding of terrorism and money laundering activities, laws and regulations require all financial institutions to obtain, verify, and record information that identifies each person who opens an account, and subsequently monitor the activity over accounts. What this means for you: When you engage in business with us, we may ask for your name, address, date of birth, or other information that will allow us to identify you. We may also ask to see your driver's license, passport, or other identifying documents. Promptly following ZBD's request, you will provide ZBD any and all Identity Verification Information. We may also ask you for additional information on transactions or transfers that you execute such as confirmation details of counterparties, origin of crypto-assets or purpose of transactions.

19. DAC8 CRYPTO TAX REPORTING - ZBD EU. As a regulated CASP, ZBD EU is required to collect tax information, transaction information, and a self-certification from its customers before providing them crypto asset transfer or exchange services under MiCAR pursuant to Council Directive (EU) 2023/2226 of 17 October 2023 amending Directive 2011/16/EU on administrative cooperation in the field of taxation and the implementation thereof into domestic law of EU Member States (“**DAC8**”). DAC8 applies from 1 January 2026 and ZBD EU will be required to report on customer and transaction information to local tax authorities. What this means for you: when you want to use ZBD EU's services to earn BTC rewards, you will need to provide the required tax information, transaction information, and self-certification and ZBD EU will need to check it to ensure it is complete and accurate. We may be required to

ask for additional information. All information will be collected and treated in accordance with the ZBD Privacy Policy.

20. **INDEMNITY.** You will indemnify, defend (at ZBD’s option), and hold ZBD and its affiliates and their respective officers, directors, employees, and agents, harmless from and against any claims, disputes, demands, liabilities, damages, losses, and costs and expenses, including, without limitation, reasonable legal and accounting fees arising out of or in any way connected with (a) your access to or use of the ZBD Services, (b) your User Content, or (c) your violation of these Terms. You may not settle or otherwise compromise any claim subject to this Section without ZBD’s prior written approval.

21. LIMITATION OF LIABILITY.

a. TO THE MAXIMUM EXTENT PERMITTED BY LAW, NEITHER ZBD NOR ITS SERVICE PROVIDERS INVOLVED IN CREATING, PRODUCING, OR DELIVERING THE ZBD SERVICES WILL BE LIABLE FOR ANY INCIDENTAL, SPECIAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES, OR DAMAGES FOR LOST PROFITS, LOST REVENUES, LOST SAVINGS, LOST BUSINESS OPPORTUNITY, LOSS OF DATA OR GOODWILL, SERVICE INTERRUPTION, COMPUTER DAMAGE OR SYSTEM FAILURE, OR THE COST OF SUBSTITUTE SERVICES OF ANY KIND ARISING OUT OF OR IN CONNECTION WITH THESE TERMS OR FROM THE USE OF OR INABILITY TO USE THE ZBD SERVICES, WHETHER BASED ON WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY, OR ANY OTHER LEGAL THEORY, AND WHETHER OR NOT ZBD OR ITS SERVICE PROVIDERS HAVE BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGE, EVEN IF A LIMITED REMEDY SET FORTH HEREIN IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE.

b. TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT WILL THE AGGREGATE TOTAL LIABILITY OF ZBD AND ITS AGENTS, REPRESENTATIVES, AND AFFILIATES ARISING OUT OF OR IN CONNECTION WITH THESE TERMS, OR FROM THE USE OF OR INABILITY TO USE THE ZBD SERVICES, EXCEED THE AMOUNTS YOU HAVE PAID OR ARE PAYABLE BY YOU TO ZBD FOR USE OF THE ZBD SERVICES OR ONE HUNDRED U.S. DOLLARS (\$100), IF YOU HAVE NOT HAD ANY PAYMENT OBLIGATIONS TO ZBD, AS APPLICABLE.

c. THE EXCLUSIONS AND LIMITATIONS OF DAMAGES SET FORTH ABOVE ARE FUNDAMENTAL ELEMENTS OF THE BASIS OF THE BARGAIN BETWEEN ZBD AND YOU.

d. IN ANY CASE, THE LIABILITY DOES NOT EXTEND TO ANY DAMAGES IN RELATION TO THE USAGE OF PERMISSIONLESS DLT INFRASTRUCTURE WHICH IS NOT MANAGED OR CONTROLLED BY ZBD. HOWEVER, ONLY FOR USERS of ZEBEDEE EUROPE B.V., ZBD EU REMAINS LIABLE FOR ANY DAMAGES RELATED HACKS OR EXPLOITS TO ITS OWN SMART CONTRACTS.

22. GOVERNING LAW AND FORUM CHOICE.

- a. **ZBD US Users only:** In respect of services provided by ZBD US - these Terms and any action related thereto will be governed by the U.S. Federal Arbitration Act, federal arbitration law, and the laws of the State of Delaware, without regard to its conflict of laws provisions. Except as otherwise expressly set forth in Section 21 “Dispute

Resolution,” the exclusive jurisdiction for all Disputes (defined below) that you and ZBD US are not required to arbitrate will be the state and federal courts located in the State of Delaware, and you and ZBD US each waive any objection to jurisdiction and venue in such courts.

- b. **ZBD EU Users only:** In respect of services provided by ZBD EU - these Terms and any action related thereto will be governed by and construed in accordance with the laws of the Netherlands. The exclusive jurisdiction for all disputes is with the competent courts of Amsterdam, the Netherlands unless legislation or international conventions mandatorily prescribe otherwise.

23. DISPUTE RESOLUTION.

- a. Informal Dispute Resolution. You and ZBD must first attempt to resolve any dispute, claim, or controversy arising out of or relating to these Terms, or the breach, termination, enforcement, interpretation, or validity thereof, or the use of the ZBD Services (collectively, “Disputes”) informally. You should report any complaints, feedback or questions via the following means:
- i. ZEBEDEE LLC, 50 Harrison St., Suite 472, Hoboken, NJ, 07030-6064 and email a copy of such written notice to support@zbdpay.com
 - ii. ZEBEDEE EUROPE B.V., will accept all of the following communications as official notification of a complaint. These include:
 - By mail: Vijzelstraat 68, 1017 HL, Amsterdam, Netherlands;
 - By E-Mail: support@zbdpay.com;
 - Via chat functionality on the company website or within the ZBD Mobile App;
 - By opening a DM thread on ZEBEDEE’s Twitter page.

Notwithstanding the foregoing, we each retain the right to seek injunctive or other equitable relief from a court to prevent (or enjoin) the infringement or misappropriation of our intellectual property rights at any time.

b. **ZBD US Users only:**

- i. Mandatory Arbitration of Disputes. In respect of services provided by ZBD US you or ZBD may start formal arbitration proceedings, at least sixty (60) days after one party notifies the other party of a claim in writing. In respect of services provided by ZBD EU all disputes will be handled and resolved by the competent courts of Amsterdam, the Netherlands.

IMPORTANT NOTICE REGARDING ARBITRATION FOR CUSTOMERS OF ZBD US: WHEN YOU AGREE TO THESE TERMS YOU ARE AGREEING (WITH LIMITED EXCEPTION) TO RESOLVE ANY DISPUTE BETWEEN YOU AND ZBD THROUGH BINDING, INDIVIDUAL ARBITRATION RATHER THAN IN COURT. PLEASE REVIEW CAREFULLY SECTION 23 (DISPUTE RESOLUTION) FOR DETAILS REGARDING ARBITRATION. HOWEVER, IF YOU ARE A RESIDENT OF A JURISDICTION WHERE APPLICABLE LAW PROHIBITS ARBITRATION OF DISPUTES, THE AGREEMENT TO

ARBITRATE IN SECTION 23 WILL NOT APPLY TO YOU BUT THE PROVISIONS OF SECTION 21 (GOVERNING LAW AND FORUM CHOICE) WILL APPLY INSTEAD.

- ii. ZBD US and you agree that any Dispute will be resolved solely by binding, individual arbitration and not in a class, representative, or consolidated action or proceeding. You and ZBD agree that the U.S. Federal Arbitration Act governs the interpretation and enforcement of these Terms, and that you and ZBD US are each waiving the right to a trial by jury or to participate in a class action. This arbitration provision shall survive termination of these Terms.
- iii. Exceptions. As limited exceptions to Section 21(b) above: (i) we both may seek to resolve a Dispute in small claims court if it qualifies; and (ii) we each retain the right to seek injunctive or other equitable relief from a court to prevent (or enjoin) the infringement or misappropriation of our intellectual property rights.
- iv. Conducting Arbitration and Arbitration Rules. The arbitration will be conducted by the American Arbitration Association (“AAA”) under its Consumer Arbitration Rules (the “AAA Rules”) then in effect, except as modified by these Terms. The AAA Rules are available at www.adr.org or by calling 1-800-778-7879. A party who wishes to start arbitration must submit a written Demand for Arbitration to AAA and give notice to the other party as specified in the AAA Rules. The AAA provides a form Demand for Arbitration at www.adr.org.
- v. Any arbitration hearings will take place in the county (or parish) where you live, with provision to be made for remote appearances to the maximum extent permitted by the AAA Rules, unless we both agree to a different location. The parties agree that the arbitrator shall have exclusive authority to decide all issues relating to the interpretation, applicability, enforceability and scope of this arbitration agreement.
- vi. Arbitration Costs. Payment of all filing, administration and arbitrator fees will be governed by the AAA Rules, and we won’t seek to recover the administration and arbitrator fees we are responsible for paying, unless the arbitrator finds your dispute is frivolous. If we prevail in arbitration, we’ll pay all of our attorneys’ fees and costs and won’t seek to recover them from you. If you prevail in arbitration you will be entitled to an award of attorneys’ fees and expenses to the extent provided under applicable law.
- vii. Injunctive and Declaratory Relief. Except as provided in Section 21(c) above, the arbitrator shall determine all issues of liability on the merits of any claim asserted by either party and may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party’s individual claim. To the extent that you or we prevail on a claim and seek public injunctive relief (that is, injunctive relief that has the primary purpose and effect of prohibiting unlawful acts that threaten future injury to the public), the entitlement to and extent of such relief must be litigated in a civil court of competent jurisdiction and not in arbitration. The parties agree that litigation of any issues of public injunctive relief shall be stayed pending the outcome of the merits of any individual claims in arbitration.

- c. Class Action Waiver. YOU AND ZBD AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR ITS INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING. Further, if a Dispute is resolved through arbitration, the arbitrator may not consolidate another person's claims with your claims, and may not otherwise preside over any form of a representative or class proceeding. If this specific provision is found to be unenforceable, then the entirety of this Dispute Resolution section shall be null and void.
- d. Severability. With the exception of any of the provisions in Section 21(g) of these Terms ("Class Action Waiver"), if an arbitrator or court of competent jurisdiction decides that any part of these Terms is invalid or unenforceable, the other parts of these Terms will still apply.

24. GENERAL TERMS.

- a. Entire Agreement. These Terms constitute the entire and exclusive understanding and agreement between ZBD and you regarding the ZBD Services, and these Terms supersede and replace all prior oral or written understandings or agreements between ZBD and you regarding the ZBD Services. If any provision of these Terms is held invalid or unenforceable by an arbitrator or a court of competent jurisdiction, that provision will be enforced to the maximum extent permissible, and the other provisions of these Terms will remain in full force and effect. Except where provided by applicable law in your jurisdiction, you may not assign or transfer these Terms, by operation of law or otherwise, without ZBD's prior written consent. Any attempt by you to assign or transfer these Terms without our consent or your statutory right, will be null and void in its entirety. The waiver of any such right or provision will be effective only if in writing and signed by a duly authorized representative of ZBD. Except as expressly set forth in these Terms, the exercise by either party of any of its remedies under these Terms will be without prejudice to its other remedies under these Terms or otherwise.

By opening an account or engaging in any virtual currency transaction with ZBD, you acknowledge that you have read, understood, and agreed to the following material risks associated with virtual currency:

- Virtual currency is not issued, guaranteed, or insured by any government or governmental agency. Balances held in connection with virtual currency are not protected by the Federal Deposit Insurance Corporation (FDIC), the National Credit Union Administration (NCUA), or the Securities Investor Protection Corporation (SIPC).
- Some virtual currency transactions shall be deemed to be made when recorded on a public ledger, which may not be the date or time when the customer initiates the virtual currency transaction;
- The value of virtual currency may be derived from the continued willingness of market participants to exchange fiat currency for virtual currency, which may result in the permanent and total loss of the value of a particular virtual currency, if the market for that virtual currency disappears;
- The volatility and unpredictability of the price of virtual currency relative to fiat currency may result in a significant loss over a short period of time;
- Any bond maintained by the licensee for the benefit of the customers of licensee may not be sufficient to cover all losses incurred by such customers; and
- Virtual currency transactions are irreversible and are used by persons seeking to defraud customers, including, but not limited to, a person impersonating a customer's loved one,

threatening jail time, stating that a customer's identity has been stolen, insisting that a customer withdraw money from the customer's bank account and purchase cryptocurrency or alleging a customer's personal computer has been hacked.

- You are responsible for any unauthorized virtual currency transactions initiated through your account. Your responsibility and liability for unauthorized transactions, including virtual currency transactions, are governed by the procedures set forth in these Terms of Service.
- You have the right to stop payment on any preauthorized virtual currency transfer before it is executed. To initiate a stop-payment request, you must contact ZBD at support@zbdpay.com as soon as possible and prior to the scheduled execution of the transfer. We cannot guarantee that a stop-payment request will be honored once a transaction has been submitted for processing.
- We may disclose information concerning your account to certain categories of service providers and third parties as more fully described in the Section 4 of the [Privacy Policy](#).
- You have the right to access account details, transaction history, receipts, confirmations, and all other account or transaction information as set forth in Exhibit 1 of these Terms of Service.
- We may update the Terms from time to time at our sole discretion. If we do, we will let you know by posting the updated Terms on the Site, to the App, and/or may also send other communications. When we make material changes, you may be asked to accept the changes to the Terms when you next log in the ZBD application.
